Experience a safer
and more open world

Sleek design
that blends in to your
door frame

Meet the ASSA ABLOY SW60, bridging the gap between manual and automatic doors.

The ASSA ABLOY SW60 combines touch-free solutions, smart access controls and command responsiveness with sleek appeal, slim design, and the ability to convert virtual any door into a touch-free entrance.

With stunning design, ease of installation, onboard power, optional plug-in power, and suitability for interior or exterior doors with low/mild wind and stack pressures, the SW60 is the perfect choice.

We'll get the door for you.

Small but mighty

The ASSA ABLOY SW60's sleek design may blend in, but its powerhouse of options, control and assistance stands out.

Setup assist

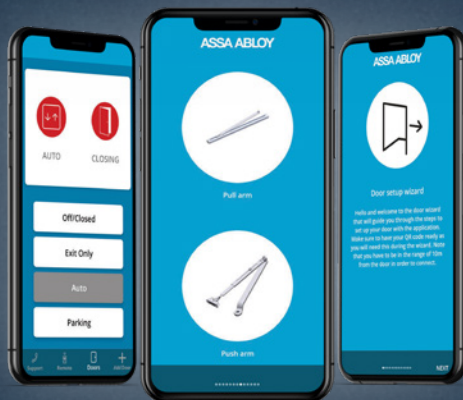

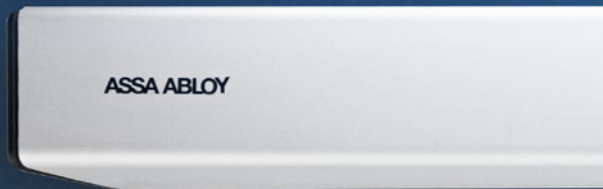

Our app walks you through the process from install to operation.

Door control
